

REIMBURSEMENTS OVERVIEW AS OF 01/01/2023

‘Nationale-Nederlanden WerkgeversZorgPakket Basis’ (‘Restitutie’ employer health insurance policy) (model number: 6701322)

version 1

The reimbursements provided by the ‘Nationale-Nederlanden WerkgeversZorgPakket Basis’ (‘Restitutie’ employer health insurance policy) are summarised in the Reimbursements Overview below.

You are entitled to a maximum reimbursement of €500 per employee per year for the healthcare in clauses W.2. to W.11. combined.

The reimbursement percentages (%) in this overview are calculated in accordance with:

- the agreed rates if healthcare is provided by a contracted healthcare provider, or
- the market rates applicable in the Netherlands if healthcare is provided by a non-contracted healthcare provider.

Non-contracted healthcare providers must be accredited.

Also see clause V.13 of the Terms and Conditions of Employer Health Insurance Policies.

This Reimbursements Overview contains several columns. There is a number in the last column, ‘Terms and conditions’. This number refers to the Terms and Conditions of Employer Health Insurance Policies. The clause in question lists the conditions that must be met for entitlement to healthcare (or reimbursement of the costs incurred).

The reimbursements specified below apply for each employee.
