Examples of large donations

Stichting van Gehandicapte Wintersporters (EUR 5,000)

The 'Stichting van Gehandicapte Wintersporters' aims to teach people with a physical disability to sit ski independently as much as possible, so that they are able to practice skiing with or without guidance. Especially for people with physical disabilities, sports are very important.

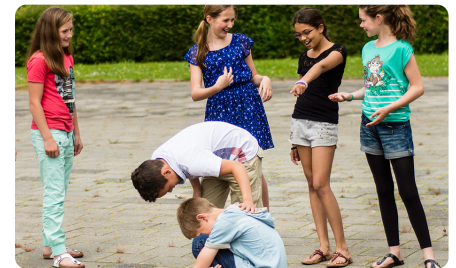

Stichting de Droomboom (EUR 9,500)

Children with autism often have many options and sometimes great talents: with the right guidance they can develop well. Unfortunately, many of these children initially do not manage to develop in regular or special education. 'Stichting de Droomboom' tries to stimulate these children with the help of intensive training. So that they learn to function as independently as possible.

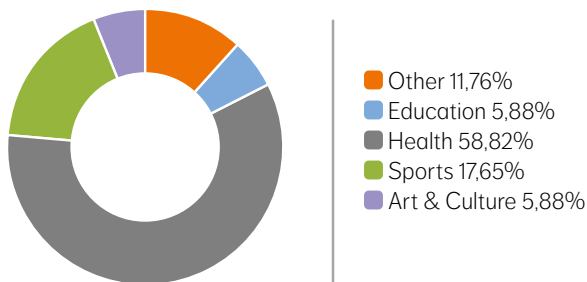

Stichting Omgaan met Pesten (EUR 10,000)

The 'Stichting Omgaan met Pesten' tries to prevent bullying on the one hand and to solve bullying on the other, or to limit the consequences thereof. The 'Stichting Omgaan met Pesten' wants to help individuals and organizations fight bullying and focuses on all facets of the bullying problem, thereby involving parents, classmates, family members and professionals.
